I have work experience of different job descriptions which include teaching and administration. Following below were the parts of my job in administration.

- Maintaining accounts of the college and assisting in Admin Office works.
- Preparing the annual budget of the college.
- Preparing the drafts.
- Maintaining of registers relating to office files, recorded files, and files destroyed and movement register showing the whereabouts of the files received in or sent out of the Section.

Cadet College Noshki established by Government of Balochistan, is English Medium Institute that is progressing with a focused vision and designed pragmatic direction to bring about a silent revolution. It is providing quality education by keeping the faculty and students abreast with advances in research for creation of new knowledge to meet the academic challenges of the contemporary world.

Following below were the teaching responsibilities in the previous job.

- Giving Topics regarding English literature and language.
- Motivating students towards studies.
- Solving the problems of students regarding English lessons.
- Preparation of the notes and lectures for the students.

Following below were the co-curricular activities in the college.

- Helping the students for the preparation of different speech competitions.
- Arranging quiz competitions in the college.
- Arrangements of annual functions and sports competition in the college.
